

Green Bay Jan. 29. 1830.

Respected Sir,

I have received yours, notifying me of the Assignment of Ten Townships for subdivision - so soon as the Town lines are run. With grateful acknowledgments for the favor, I shall be ready on the shortest notice, to execute the work: having forwarded provisions into the vicinity.

I have this day drawn in favor of A. B. Amatt & Co. for \$666., being the amount, as nearly as I have the means of ascertaining, which I suppose due me for former work; and which I hope will be duly honored.

With great respect

your Obedient Servant

Wm. R. T. Lytle.
