

Issue of October 30, 1944 (Other than First Class)

The design was resumed, in ochre, the only time this color was used for a special delivery stamp.

NEW 13-CENT AND 17-CENT SPECIAL-DELIVERY STAMPS

Two new special-delivery stamps, in 13-cent and 17-cent denominations, will be placed on sale at Washington, D. C., on October 30, 1944. These stamps will be identical in size, arrangement, color, and design with the current 10-cent and 15-cent special-delivery stamps, the only alterations being change in the denomination numerals. They will be printed by rotary press and issued in panes of 50.

Collectors desiring first-day cancellations of the new stamps on October 30, may send envelopes properly addressed and having regular postage affixed, to the Postmaster, Washington 13, D. C., with cash or money order remittance to cover cost of the new special-delivery stamps to be added. *As the service in the Washington post office will be limited to the affixing of the new special-delivery stamps, all covers submitted must have postage at the first-class rate already affixed.* Enclosures of medium weight should be inserted in each cover and the flap turned in or sealed. If coins are submitted they should not be attached with glue, as such currency cannot be deposited without washing.

Requests for uncanceled stamps must not be included with orders for first-day covers.

For the benefit of collectors, the new 13-cent and 17-cent special-delivery stamps will be placed on sale at the Philatelic Agency, Washington 25, D. C., on October 30, 1944. To insure prompt shipment, mail orders to the Agency should not include other stamp issues. Allowance must be made for return postage. *The Philatelic Agency does not service first-day covers.*
