 independently identify the classification.  
 Can't determine if cancel is originating or receiving.  
 3:00 p.m is time of the R.P.O. cancel?? Curious??  
 Cannot determine the meaning of the "R" in the cancel.  
 Maybe Station "R" or "Received"???

CENTENNIAL PARADE R.P.O. (SL-831-E4) October 7, 1909.

This cancel was prepared for use in the Railway Mail Clerk's float in the parade. It is the first U.S. postal marking ever issued to celebrate a parade. Despite the R.P.O. designation, the vehicle was actually a horse drawn Missouri-Pacific mail coach on wagon wheels drawn by six white horses.
