I have examined the enclosed cover front, submitted as New Zealand 1855 2d deep (greenish) blue, imperf on blued large star watermark paper, the London print on an overall "Ocean Penny Postage" illustrated cover front, from Dunedin 22 December 1855 to London (Scott 2, Campbell Paterson A2a, S.G. 2), and am of the opinion that it is genuine as described, with only a single back flap with unframed datestamp "Otago/DE 22/1855/ New Zealand."
