1861 **FOUR REALES** LETTERSHEET TO PUEBLA ~ QUERETARO
SZ. "FRANQUEADO QUERETARO"

Very fine usage of a lettersheet cover (no contents) that is franked with the scarce four reales high-value of the 1861 Hidalgo issue. The very fine stamp (NF#10 dull red on yellow paper) has the correct horizontal grain. It also has huge margins and it was postmarked with the regular oval Schatzkes # commonly used for the period. Of interest, only 828 quatro reales red/yellow stamps were ever issued to Queretaro. The stamp alone catalogs \$180 for a used single in the Follansbee Catalog; this copy, however, is very fine and it is used on cover!
