*Via Crescenzio 19, Roma*

16th July 1986

I have examined the block of four, postage stamps of Sicily, 1859, 5 grana, Nos. 31-32, 41-42 of plate 1, with sheet margin at left, carmine (Sassone Catalogue, No. 9a), unused, with gum, a photographic reproduction of which is attached to this certificate. In my opinion, this item is genuine, it has original gum and it is in perfect condition: I signed it "E.Diena". - - - - -
