

Dott. Enro Diena Via Crescenzio 19, Roma

I have examined the block of eight postage stamps of Sicily, 1859, 20 Grana, #87 to 90, # 97 to 100 of the Plate, dark slate grey (Sassone Catalogue, #13c), sheet margins at bottom and at right, unused, with gum, a photographic reproduction of which is attached to this certificate. In my opinion, this item is genuine, it has original gum and it is in perfect condition: I signed it "E.Diena".
