No. 109743 from

The name of the post office for which this tag and accompanying parcel are intended will be found in the address on the parcel. The number on this tag should correspond with that on the parcel.

This registered package is prepared and dispatched in this manner by permission of the Post Office Department. No (gray card) registry bill is required for third or fourth class registered matter sent under tag envelopes from the office named in the postmark above.

THIS TAG MUST BE ATTACHED TO ADDRESS SIDE OF PARCEL.

When a postmaster signs a receipt for this registered package tag envelope, he must indorse upon it, in the spaces provided, the date of receipt and the name of his post office. When a railway postal clerk signs a receipt, he must enter his name and the name and train number of the railway post office. Whenever the accompanying registered parcel is in a damaged condition, a signed statement of the facts must appear. (See sections 817, 819, 834, 841, 843, 847, and 1550 of the Postal Laws and Regulations, Edition of 1902).
