Fine **black-edged** lettersheet ("mourning cover" without contents) from the 4th Printing of the Guadalajara Provisionals. Franked with a fine single *un real* of Follansbee **GDA24y green color on laid bontonne**. This mourning lettersheet is postmarked with a crisp and quite fine strike of Sz. #461 "**FRANCO EN TONYLA**" (20 point cancel). Docketing yields the date of mailing as September 18, 1868. Mailed from the Guadalajara sub-office of Tonyla to a mercantile firm in Colima. Very scarce 4th Printing provisional usage -- and on cover -- from this sub-office popular with Guadalajara collectors.

OVAL CANCEL SZ.#295 "SCORREOS GUADALAJARA [1868]"

Very good lettersheet, with wear, docketed internally "3 August 1868" and franked with a very good copy of the "2 reales." *lilac* color on wove paper of the Guadalajara Provisional issue of the Fourth Printing (Follansbee #GDA25X and Scott #38). Postmarked with a legible strike of the oval Schatzkes #295 "Correos Guadalajara". Internal file-fold separations repaired with philatelic hinges. Mailed from Guadalajara along the overland mail route to a mercantile firm in Mazatlan. MEPSI Certificate from 2003 states "genuine" usage. Rough but scarce usage. \$ 75—
