Dear Ralph:

Just a note to let you know that this is really authentic. I am sending this letter to the South Pole on Admiral Byrd's ship + it is to be stamped + mailed at the post office in Little America. I hope it reaches you in due course of time.

Hope all your family are well and will continue to remain so throughout the years.

I might add that it is nearly 90° F in Hauling gun Texas where this starts its journey but it will be close

to 50°F below zero when it gets
into the post office.

Besty luck to you.

as ever

Phil.
