William Richardson Eeys,
Dr Sir:-

England

I send you Berry's bond for a title
to Viter Parasci's headright League

I have been unable to learn
any thing more about the
certificate of Berry. I thought
it best to send it to you that
you might pursue such
course as might best serve
your interest.

Whilst at Sunland
Texas I inquired of Mr. Van
Derlip, who is the Atty. of Smith's
estate, about any papers
that might be then belonging to
you he says there is nothing to
be found except charges for an
-veying & that an certificate not
recommended for patent.

Your obt. Servt.
