# EXPERT COMMITTEE

No. 3360

Date 19 April 2017

Query Whether a genuine unused example of 1857-63 FFG 1/- blue-green, imperf., no wmk, Richardson print on white paper, SG.17.

In the opinion of the Expert Committee this item cannot be given a certificate because

the stamp has been cleared to remove postmark ink, and is torn, creased or thinned in several places
