Certificate Number 36398

7 October 2016

I have examined the enclosed stamp, submitted as New Zealand 1864-73 3d slate lilac, used, provisional imperf on large star watermark paper (S.G. 117a single, Campbell Paterson A3d(T), Scott 33b single), and am of the opinion that it is genuine as described, technically a provisional imperf single even though it has a short top margin.
