

My dear Adolph Syracuse N.Y.
Your cards from 10th & 23rd Nov^r arrived
here about 2 weeks ago also
the paper. Thank you very much
for both. Since month we have not
heard from our dear ones, we cannot
write also, as they don't receive the
letters. If our Lord would only rest
re-peace again. We knew a few
things as we read some about Her
mann here, is it not terrible what
people make up. Let us hope for
better times, they surely must come.
I feel so guilty but God knows I
did not think of doing wrong in
any way. - You ask about Dr. Baum.
He died of cancer of the liver and
the physicians think he got this sick-
ness through handling so much with
X rays. He tried to help every one and
never thought of himself. He was 57
years old. Elisabeth and the children are
still here. Oh how I will miss little Betty
when they go. The child asks still every
day for her father and remembers every
word of him. She begs often we
should let her go to Heaven so she can
kiss her father. It is pitiful to hear her
she is only 4 years old. She has
