or a MEDAL of that Value, at the Option of the Party, be given by the Commissioners of the Federal Buildings, to the Person who, before the Fifteenth Day of July next, shall present to them the most approved PLAN, if adopted by them, of the PRESIDENT'S HOUSE, to be erected in this City. The Architect of the Building, if the Artist will attend to it, will of Course influence the Aspect and Outline of his Plan; and its Definition will point out to him the Number, Size, and Distribution of the Apartments. It will be a Recommendation of any Part of the central Part of it may be detached and erected for the use of the President, with the Appearance of a complete whole, and be capable of admitting the additional Parts, in future, if they should be wanting. Drawings will be expected of the Ground-Plans, Elevations of each Front, and Sections through the Building, in such Directions as may be necessary to explain the internal Structure; and an Estimate of the cost of the Building, and of the composing the whole Mass of the Walls, &c. of the Building.
