Mr. Buckner

You will please come
down by return coach, as I
have taken the responsibility
& sell the mill & J. H. Inver
as I think to an advantage
& all parties I now propose
to settle up with all parties
in one. It was the only
course I could pursue as the
concern was fast going to the
devil. You will please bring
the West down Hawkbe over
us also the Woodson concern
if the Bacon &c is not sold
send it back

Yours truly
C. L. Barrett
